GRTI Business Services

High Speed DSL

Choose from speeds up to 20 Mbps. All DSL bundles include a land line with optional calling features and single static IP's available for an additional charge.

Metro Ethernet

GRTI provides bandwidth to suit your business application needs with speeds up to 10 Gbps! For an additional charge, customers can purchase static IP blocks. Term discounts of 10% for 3 years and 20% for 5 years are available.

Voice

Basic phone line prices start at $48 a month. GRTI can offer customizable services for your business needs. Features include voicemail, caller ID, call waiting, per line blocking, and hunting.

Colocation

GRTI offers colocation services throughout the valley. Customized rack space, N+2 redundant power and environmental system, 24/7 card key access and video surveillance are all included in GRTI colocation services.

We are pleased to provide you service on our dependable network built with your needs in mind.

- Electric power 8- hour battery backup plus 2 generators.
- HVAC - Closed loop chilled water plant with redundant systems.
- Raised floor throughout the building for air, power and data cable distribution.
- Controlled access and video surveillance.
